Arizona Tax Revolt

Assessed Property Values are out of control. Taxing entities are creating bloated bureaucratic budgets with windfall tax monies from property and business arbitrary values. A Tax Revolution is happening in Arizona and it started with Arizona Tax Revolt.

**What HAPPENS if CITIZEN PETITIONS put the Arizona Tax Revolt proposals on the 2008 November ballot and they pass?*

**What will happen in 2009 with NO change?*

**Has YOUR Pima County Assessor 2009 Property Values Notice arrived?*

Did VALUES go down? **Seeing Red? **Feeling Blue?***

Marc will give you the Black and White.

TAXPAYERS: YOU NEED TO KNOW HOW YOU CAN gain control again over your taxes, taxing entities and their runaway budgets!!
